

ERJ135 Captain

Base: Lunken Airport, Cincinnati (LUK)

Reports To: Chief Pilot

Direct Reports: Chief Pilot

POSITION SUMMARY:

Waltzing Matilda Aviation is seeking First officers for the ERJ135 fleet operating under FAR Part 135 with the crew base located in Cincinnati.

While practicing “Safety Always” in every aspect of job performance and aircraft operations, Waltzing Matilda Aviation (WMA) pilots inspire air travel by keeping our promises to guests and team members and building customer loyalty to our respective brands.

Our pilots are responsible for the safe, efficient, reliable and effective operation of WMA aircraft while always meeting all regulatory requirements and executing company standard operating procedures. WMA Pilots lead by living our values of Safety, Convenient service and Reliability.

The First Officer reports to the Captain who is the aircraft manager and both are responsible for creating a challenge and response operational environment with all of their fellow crewmembers and also all company team members as well.

Waltzing Matilda is a fast growing aviation organization utilizing many different aircraft types and operating under both FAR part 135 as well as 121 regulations.

General Requirements

- At least 23 years of age.
- High school graduate or GED. College is preferred, but not required.
- Current passport or other travel documents enabling the bearer to freely exit and re-enter the U.S. (multiple reentry status) and be legally eligible to work in the U.S. (possess proper working documents).

FAA Requirements

- FAA Commercial Pilot Certificate with Instrument - Airplane.
- Current FAA First Class Medical Certificate.
- All aeronautical experience requirements for an ATP, Airplane category rating, as set forth in 14 CFR §61.159.
- Current ATP written exam.

Flight Time Requirements

- Minimum of 1,500 hours of total documented flight time.
- Minimum of 1,000 hours for qualified Military candidates.
- When evaluating the flight time of applicants meeting the basic qualifications, consideration will be given to, among other things, quality, quantity, recency, and verifiability of training; complexity of aircraft flown; types of flight operations; and hours flown as PIC in turbine powered aircraft.

Other Requirements

- Applicants invited to interview must provide appropriate documentation of all flight hours, FAA pilot certificates, FAA medical certificate and college transcripts.
- FCC Radiotelephone Operator's Permit.
- DOT required pre-employment drug test.
- TSA required fingerprint based Criminal History Records Check and a WMA background check.

Waltzing Matilda is an equal opportunity employer.
